It is further provided that the required set-back from the side lines of the lot as herein provided may, with the consent of the J. C. Nichols Land Company, be reduced by not to exceed thirty-three and one-third (33 1/3%) per cent of the amount of such required set-back; provided, however, that this reservation shall in no way whatever affect the provision relative to the change of side building lines as set forth in Section Six (6) herein. In any case where the frontage of ground used with any residence is greater than the required frontage, then for the purpose of limiting the width of the residence and establishing its location with respect to the side lines of the lot, the frontage so used shall be deemed to be the required frontage and the provisions of this Section shall be construed accordingly; and if any residence of the maximum width is built on any such lot, then thereafter the frontage so used may not be reduced so long as said residence is maintained thereon, and the same shall apply as to the location of any residence with respect to the side lines of the lot. The used frontage may be reduced at any time by conveyance of a part of the lot, provided that it be not reduced below the minimum number of feet required with any residence of a width that might be then erected thereon based on the provisions of this Section; and provided further that in no case may it be reduced below the required frontage herein specified by Section Five (5).

Reference is made herein to front and side building lines for the purpose of determining the location of any residence with reference to the adjoining street, and in case of the re-location of any of said streets, changes may be made in any of the said building lines, provided that such building lines shall in no case be established nearer to the new location of any of said streets than are the building lines shown on this plat with reference to the present location of said streets, and provided further, that J. C. Nichols Land Company shall have the same privilege of changing the location of any such new building lines so established as it has in the case of those shown on this plat.

Subject to further limitations set forth below, the main body of any residence, including attached garages, attached greenhouses, ells and enclosed or unenclosed porches, but exclusive of all other projections set forth above in Section 6, erected or maintained on any of the lots in this addition, shall not occupy more than 80% of the width of the lot on which it is erected; provided, however, that where the frontage of ground used with any residence is 60 feet or more, then in that case the main body of any residence, including attached garages, attached greenhouses, ells and enclosed or unenclosed porches, but exclusive of all other projections set forth above in Section 6, erected on any of the lots in this addition shall not occupy more than 75% of the width of the lot on which it is erected; provided, that in no case may the maximum width of a residence which may be erected on a lot of less than 60 feet frontage exceed the maximum width permitted on a lot of 60 feet frontage or more, measured in each case of the front building line, or the front building line produced to the side lines of the lot, whichever line is of greater length, and any such residence, exclusive of those projections referred to in paragraphs (c) and (d) of Section 6, shall be set back at least 4 feet from both of the lines of the lot upon which such residence is erected; it is provided, however, that the maximum width of any residence which may be erected on any of said lots may, with the consent in writing of J. It is further provided that the required set-back from the side lines of the lot as herein provided for may, with the consent of J. C. Nichols Land Company, be reduced by not to exceed 33⅓% of the amount of such required set-back; provided, however, that this reservation shall in no way whatever affect the provision relative to the change of said building lines as set forth in Section 6, herein. In any case where the frontage of ground used with any residence is greater than the required frontage, then for the purpose of limiting the

width of the residence and establishing its location with respect to the side lines of the lot, the frontage so used shall be deemed to be the required frontage and the provisions of this Section shall be construed accordingly, and if any residence of the maximum width is built on any such lot, then thereafter the frontage so used may not be reduced so long as said residence is maintained thereon, and the same shall apply to the location of any residence with respect to the side lines of the lot. The used frontage may be reduced at any time by the conveyance of a part of the lot, provided that it be not reduced below the minimum number of feet required with any residence of a width that might then be erected thereon, based on the provisions of this Section, and provided further that in no case may it be reduced below the required frontage herein specified in Section 5.

C. Nichols Land Company shall have, and does hereby reserve the right in the sale and conveyance of any of the lots shown on this plat, to change the required location of any such outbuildings, and may at any time thereafter, with the consent in writing of the then owners of the fee simple title to any of the said lots, change any such required outbuilding location, or any location which may in such sale or conveyance be established by it; provided, however, that no change may be made at any time which will permit the erection or maintenance of any outbuildings on any of said lots more than 15 feet nearer to the front street or more than 10 feet nearer to the side street than is provided for above. It is provided further, that the provisions of Section 6, relative to the set-back of residences from any new street location shall apply with like force and effect to the provisions of this paragraph, with reference to the change in the required location of outbuildings. No tank for the storage of oil may be maintained thereon above the surface of the ground without the consent in writing of the J. C. Nichols Land Company.

Section 9.

Outbuilding Free Space Required

Subject to the conditions hereinafter set forth no outbuildings, exclusive of greenhouses and exclusive of those projections enumerated in paragraphs (c) and (d) of Section 6, erected on any of

said lots, shall occupy more than 50% of the width of the lot upon which said outbuildings are erected, measured along the rear line of said lot; Provided, however, that in no case shall the width of any such outbuildings, other than greenhouses, be more than 33 feet. In case more than one such outbuilding is erected on any one lot, the combined width of such outbuildings shall not exceed the width provided for by this Section for a single outbuilding, any greenhouses, exclusive of other outbuildings, may not exceed a maximum width of 20 feet; provided further, however, that the combined width of greenhouses and other outbuildings erected or maintained on any lot at any one time may not exceed 80% of the width of the lot upon which they are erected, measured along the rear line thereof; it is further provided, however, that the maximum combined width of such outbuildings may, with the consent of the J. C. Nichols Land Company, be increased by not to exceed 10% of the width of the lot, measured along the rear line thereof; and provided further, that the width of any outbuilding, including greenhouses, may with the consent of the J. C. Nichols Land Company, be increased by not to exceed 10% of the width of the lot upon which it is erected, measured along the rear line thereof. The provisions of Section 7, relating to the maximum width of the residence which may be erected on any lot having appurtenant thereto a greater frontage of ground than the required frontage and the provisions for reducing such frontage shall apply with the same force and effect to outbuildings as to the residence to which such outbuildings are appurtenant.

Section 11.

The restrictions herein set forth shall run with the land and bind the present owner, its successors and assigns, and all parties claiming by, through or under it, shall be taken to hold, agree and covenant with the owner of said lots, its successors and assigns, and with each of them, to conform to and observe said restrictions as to the use of the said lots and the construction of improvements thereon, but no restrictions herein set forth shall be personally binding on any corporation, person or persons, except in respect of breaches committed during its, his or their seisin of, or title to said land, and the owner or owners of any of the above land shall have the right to sue for and obtain an injunction, prohibitive or mandatory, to prevent the breach of or to enforce the observance of the restrictions above set forth, in addition to ordinary legal actions for damages and failure of the J. C. Nichols Land Company, or the owner, or owners of any other lot or lots in this addition, to enforce any of the restrictions herein set forth at the time of its violation, shall in no event be deemed to be a waiver of the right to do so thereafter. J. C. Nichols Land Company may, by appropriate instrument assign or convey to any person or corporation all of the rights, reservations and privileges herein reserved by it, and upon such assignment or conveyance being made, its assigns or grantees may at their option exercise, transfer or assign those rights, or any one or more of them, at any time or times, in the same way and manner as though directly reserved by them, or it, in this instrument.

(Corp Seal) By J. C. NICHOLS, President.

**GREENWAY FIELDS HOMES
ASSOCIATION**

THIS AGREEMENT, Made and entered into this 21st day of April, 1922, by and between THE GREENWAY FIELDS HOMES ASSOCIATION, a corporation, of Jackson County, Missouri, hereinafter called "The Association," and those owners of the land in Blocks 1 and 2, in Blocks 3 and 4, in Blocks 5, 6, 7, and 8, and Blocks 8, 9 and 10 of Greenway Fields, and of Blocks 5, 6, 7 and 8 of Wornall Manor all being additions in Kansas City, Jackson County, Missouri, as shown on the recorded plats thereof, on file and of record in the office of the Recorder of Deeds of Jackson County, Missouri, at Kansas City, whose names are subscribed hereto, and who own the land or lots described opposite their respective names, and which owners are hereinafter referred to as the "Owners."

WITNESSETH: That whereas J. C. Nichols Land Company was the owner originally of all of the lots in these plats of Greenway Fields, and The J. C. Nichols Investment Company was the owner originally of all of the lots in Blocks 5, 6, 7 and 8 of Wornall Manor, and being at the present time the owners of some of the lots in the above mentioned additions, and have heretofore developed and sold lots in Greenway Fields and Wornall Manor, for high-class residence purposes, and, whereas it is the desire of the Owners to continue the development and use of such land for such purposes and for the creation and maintenance of a residence neighborhood possessing features of more than ordinary value to a residence community, and, whereas, in order to assist them in providing the necessary means to better enable the Owners to bring this about, they, the Owners, now desire to enter into this agreement with the Association for such purposes.

NOW, THEREFORE, In consideration of the premises and of the covenants and agreements herein set forth to be kept and performed by the Association and the Owners, respectively they each individually and collectively hereby agree, one with the other, subject to the limitations hereinafter set forth, that all of the real estate above described shall, in the manner and for the period of time hereinafter set forth, be subject to the following covenants, agreements, assessments and charges.

Definition of Terms Used

The term "District," as used in this agreement, shall mean until extended as hereinafter provided, all of the land included in the plats of Blocks 1 to 10 inclusive, of Greenway Fields, and Blocks 5, 6, 7 and 8 of Wornall Manor, as referred to above. If or when, other land, in addition to the above described, shall in the man-

ner hereinafter provided for be added to the present District, then the term "District" shall thereafter mean all land which shall from time to time be subjected to the terms of this agreement or any future modification thereof. The term "Improved Property," as used herein, shall be deemed to mean a single tract under a single ownership and use and on which tract a residence has been erected, or is in process of erection. Any such tract may consist of one or more contiguous lots, or parts thereof. All other land covered by this agreement shall be deemed to be vacant and unimproved. The term "Public Places," as used herein, shall be deemed to mean all parks within street intersections, or elsewhere, and all similar places, the use of which is dedicated to or set aside for the use of the general public or the general use of the Owners within the District, or which may with proper consent be used by all of the owners within the District.

**Public Improvements Under
Management of Association**

All public improvements upon and to the land in said District, or improvements for the common use and benefit of the owners in said District, or improvements in public places, shall be under the management and control of the Association as Trustee provided, however, that such management and control of said improvements shall at all times be subject to that had and exercised by Kansas City, by Jackson County, and by the State of Missouri, or either or any of them, and in addition thereto, it shall have such further powers and duties as hereinafter set forth, all of which may be exercised or assumed at the discretion of the Association.

The members of said Association shall be limited to the owners of the land within the District. The Association shall be the sole judge of the qualifications of its members and of their right to participate in its meetings and proceedings.

**Powers and Duties of the
Association as Trustee**

The Association shall have the following powers and duties whenever, in the exercise of its discretion, it may deem them necessary and advisable.

First: To enforce either in its own name, or in the name of any owner within the District, any or all building restrictions which have been heretofore, or may hereafter be imposed upon any of the land in said District, either in the form as originally placed thereon, or as modi-

fied subsequent thereto; provided, however, that this right of enforcement shall not serve to prevent such changes, releases, or modifications of restrictions or reservations being made by the parties having the right to make such changes, releases, or modifications as are permissible in the deeds, contracts, or plats, in which such restrictions and reservations are set forth, nor shall it serve to prevent the assignment of those rights by the proper parties wherever and whenever such right of assignment exists. The expenses and costs of any such proceedings shall, however, be paid out of the general fund of the Association as hereinafter provided for. This shall not prevent any owner from enforcing any restrictions in his own name.

Second: To provide for the plowing or removal of snow from the sidewalks and from the streets.

Third: To care for, spray, trim, protect and re-plant trees on all streets, and in other public places where trees have once been planted, except where otherwise provided for.

Sixth: To cut and remove weeds and grass from vacant property, to pick up and remove therefrom loose material, trash and rubbish of all kinds therefrom and to do any other thing necessary or desirable in the judgment of the officers of said Association, to keep such vacant and unimproved property neat in appearance and in good order.

The doing of the above mentioned things provided for by the preceding paragraphs may be in addition to that done or furnished by Kansas City, Missouri.

Seventh: To provide such lights as the Association may deem advisable on streets, parks, parkings, pedestrian ways, and other similar public or semi-public places, in addition to any such lights furnished by Kansas City, Missouri.

Eighth: To maintain the proper lighting of such tennis courts, playgrounds, gateways, entrances or other features in such a manner as the Association may deem necessary or advisable in addition to any such lighting being done or furnished by Kansas City, Missouri.

Ninth: To provide at suitable locations receptacles for the collection of rubbish and for the disposal of such rubbish as collected.

Tenth: To provide for the collection and disposal of trash, and any other rubbish under such rules and regulations as may be prescribed by the Association for economically and efficiently carrying out the provisions of this paragraph, in addition to that done or furnished by Kansas City, Missouri, through its public contracts or otherwise.

Twelfth: To provide for the maintenance of tennis courts, playgrounds, gateways, entrances and other ornamental features now existing or which may hereafter be erected or created within said District in any public street or park, or on any land set aside for the general use of the owners in the District, or to which all of such owners have access and the use thereof.

Thirteenth: To exercise such control over easements as it may acquire from time to time.

Land Entitled to Benefits

No real estate shall be entitled to any of the benefits of the improvements or services provided for by this Association, unless the owner or owners thereof shall have subjected their land to the terms of this agreement and to the assessments as herein provided for.

Method of Providing General Fund

For the purpose of providing a general fund to enable the said Association to perform the duties and maintain the improvements herein provided for, all land within the boundaries hereinafter described (that is, Blocks 1 to 10 inclusive, of Greenway Fields, and Blocks 5, 6, 7 and 8 of Wornall Manor), shall be subject to an annual improvement assessment to be paid to the Association annually in advance by the respective owners of the assessable land subject thereto, which assessable land shall be deemed to be all of the land lying within Three Hundred (300) feet of any paved street open to vehicle travel, exclusive however, of all land contained in streets, parks, playgrounds, or other public places, lanes, or pedestrian ways open to the public or for the common use of the owners or residents of the above described territory or of all of the owners of one or more entire blocks. The amount of such assessment shall be fixed by said Association from year to year, but shall be in the proportion of, but at no time in excess of one mill per annum for each square foot of all of the assessable land within one hundred and fifty (150) feet of any paved street open to vehicle travel, and one-half of one mill per square foot per annum for all assessable land more than one hundred and fifty (150) feet, and less than three hundred (300) feet from any such paved street.

Rate of Assessment

In the event that the assessment made in any one year shall be less than the maximum amount of the sum authorized, to be assessed by the Association without such special action by the members, any part of the difference may be added to the assessment in the proportion above specified in either of the following two years, provided that the resolution authorizing such cumulative assessment shall be adopted at a meeting of the members of the Association called

for that purpose in which a majority of the votes that are cast shall be in favor of such resolution.

Assessments Due Jan. 1st of Each Year

The Assessment for the calendar year 1922 shall be levied and shall be payable not later than thirty days after the date when this agreement shall have been filed for record in the office of the Recorder of Deeds of Jackson County, Missouri, at Kansas City, and thereafter the assessment shall be made during the year preceding the first day of January on which it is payable as hereinafter set forth. After the assessment for the calendar year 1922 this assessment shall be due and payable on the first day of January of each year, and it will be the duty of the Association to notify all owners whose address is listed with the Association on or before that date, giving the amount of the assessment, when due, and the amount due on each tract of land owned by them.

What Constitutes Notice

A written or printed notice thereof deposited in the United States Post Office with postage thereon, prepaid, and addressed to the respective owners at the last address listed with the Association shall be deemed to be sufficient and proper notice for this purpose, or for any other purpose of this contract where notices are required.

Lien on Real Estate

The assessment shall become a lien on said real estate as soon as it is due and payable, as above set forth. In the event of failure of any of the owners to pay the assessment on or before the first day of February, then such assessment shall bear interest at the rate of eight per cent per annum from the first day of January, but if said assessment is paid before the first day of February no interest shall be charged.

When Delinquent

On or after the first day of February in each year except for the calendar year 1922, the assessment shall become delinquent and payment of both principal and interest may be enforced as a lien on said real estate in proceedings in any Court in Jackson County, Missouri, having jurisdiction of suits for the enforcement of such liens. It shall be the duty of the Association to bring suit to enforce said liens as soon as they become delinquent. The assessment for the year 1922 shall be delinquent and collectible as above set forth thirty days after it is made and levied.

Termination of Liens

Such liens shall continue for a period of one year from date of delinquency and no longer, unless within such time suit shall have been in-

stituted for the collection of the assessment, in which case the lien shall continue until the termination of the suit and until the sale of the property under execution of the judgment establishing same.

Expenditures Limited to Assessments For Current Years

The Trustee shall at no time expend more money within any one year than the total amount of the assessment for that particular year, or any surplus which it may have on hand from previous assessments, nor shall said Trustee enter into any contract whatever, binding the assessment of any future year to pay for any such obligations and no such contract shall be valid or enforceable against the Association, it being the intention that the assessment made for each year shall be applied, so far as is practicable toward the paying of the obligations of that year, and that no Trustee or person shall have the power to make a contract affecting the assessment of any future or subsequent year.

Other Lands—How It May Be Added

It is expressly agreed and understood that other land may be added to the District as first herein defined and described, provided that the owners of the land to be added to the district shall sign an agreement to be bound by all the terms of this agreement, or any future modification thereof, and that the proposal to so add said land be duly approved by the Board of Directors of the Association, with the further provision that any land which may be added from time to time shall be contiguous to the District as theretofore constituted and an intervening street shall not have the effect of breaking such contiguity within the meaning of this agreement.

Association to Notify Members of Address

The Association shall notify all owners of land in the District as it may exist from time to time, insofar as the addresses of such owners are listed with said Association of the official address of said Association as to what place and time regular meetings of the Association shall be held, designating the place where payments of money shall be made, and any other business in connection with said Association shall be transacted, and in case of any change of such address the Association shall notify all of the owners of the land in the District, insofar as their addresses are listed with the Association of the change, notifying them of its new address.

New Powers May Be Given

By written consent of the owners of two-thirds of the members evidenced by an agreement duly executed and acknowledged, and recorded in the office of the Recorder of Deeds of Jackson County, Missouri, the Association may

be given such additional powers as may be desired by said members or to otherwise amend this instrument, provided, however, that no right to increase the rate of assessment may be so given.

To Observe All Laws and Ordinances

Said Association shall, at all times, observe all municipal ordinances and State Laws, and if, at any time, any of the provisions of this agreement shall be found in conflict therewith, then such parts of this agreement as are in conflict with such municipal ordinances or State Laws, shall become null and void, but no other part of this agreement not in conflict therewith shall be affected thereby. The Association shall have the right to make such reasonable rules and regulations and provide such means and employ such agents as will enable it to adequately and properly carry out the provisions of this agreement, subject, however, to the limitations of its right to contract as is herein provided for.

How Terminated

This agreement may be terminated and all of the land now, or hereafter affected, may be re-

leased from all of the terms and provisions hereof by the owners of two-thirds of the assessable area subject thereto, executing and acknowledging an appropriate agreement or agreements for that purpose and filing the same for record in the office of the Recorder of Deeds of Jackson County, Missouri.

Covenants Running With the Land

All of the agreements and provisions herein set forth shall be deemed to be covenants running with the land and shall be binding upon the parties hereto and upon their respective heirs, successors and assigns.

IN WITNESS WHEREOF, The Greenway Fields Homes Association and J. C. Nichols Land Company have, by authority of their respective Boards of Directors caused this instrument to be executed by their respective Presidents, and their respective corporate seals to be hereto affixed, and the other owners have hereto set their hands this.....day of April, 1922.

DECLARATION OF RESTRICTIONS AS TO
LOTS 2, 3, 4, 5 AND 6, WRBC, A SUBDIVISION
IN KANSAS CITY, JACKSON COUNTY, MISSOURI

09-01-06

THIS DECLARATION OF RESTRICTIONS is made as and of this 11th day of July, 1989, WORNALL ROAD BAPTIST CHURCH OF KANSAS CITY, MISSOURI, a Missouri pro forma decree corporation, with offices at 400 West Meyer Boulevard, Kansas City, Jackson County, Missouri, as the owner of the real property hereinafter described (Wornall Road Baptist Church of Kansas City, Missouri, its successors and assigns, being sometimes hereinafter referred to as the "Owner" or as the "Church").

RECITALS

1. Under date of August 17, 1917, Block 1 (consisting of Lots 1 through 22) and Block 2 (consisting of Lots 1 through 27), GREENWAY FIELDS, were platted as a subdivision in Kansas City, Jackson County, Missouri, and were subjected to certain restrictions as to use and other matters as set forth in the "Plat of GREENWAY FIELDS with restrictions", same being filed for record in the Office of the Recorder of Deeds of Jackson County, Missouri, at Kansas City, on August 17, 1917, as Document No. 1198805, and in Plat B19 beginning at Page 34 (said Plat being hereinafter sometimes referred to as the "Plat", and said restrictions being hereinafter sometimes referred to as the "Restrictions").

2. The Restrictions, as originally set out in the Plat, provide that none of the lots within said Blocks 1 and 2, GREENWAY FIELDS, shall be improved, used or occupied for other than private residence purposes, except that a church or a church and parsonage may be erected and maintained on Lot 24, in said Block 2.

3. On or about 1929, the Church acquired the ownership of said Lot 24, Block 2, constructed a church building thereon, and has continuously maintained, and now maintains and operates, its church building (sometimes hereinafter referred to as the "Church Building") on said Lot 24 for church purposes, regularly conducting religious services therein for the benefit of its members, its congregation and the community.

4. Subsequent to 1929, due to the expanding needs of the Church to better conduct its religious work and to provide its services to the community, the Church acquired ownership of all of Lots 25 through and including 27, all of Lots 1 through and including 6, the approximately East 45 feet of Lot 22, and all of Lot 23, all of said Lots being located in said Block 2 (sometimes hereinafter, together with said Lot 24, being referred to as the "Church Lots"), it being the desire of the Church, with the appropriate consent of the owners of the lots in said Blocks 1 and 2, to use the Church Lots for church purposes, including particularly for the development of an off-street parking facility to serve the Church and its congregation.

5. The Church represents that thereafter the Church obtained from each of the owners (hereinafter sometimes referred to as the "Lot Owners") of all of the lots in said Blocks 1 and 2, GREENWAY FIELDS, with the exception of the owners of six lots (who are sometimes referred to as the "Six Lot Owners" and are further described hereinafter), a written document entitled, "Release of Restrictions", each of which documents the Church represents was filed for record in the Office of the Director of Records of Jackson County, Missouri, at Kansas City. The Church further represents that each of such documents provides that the respective owner consents and agrees that the Church may construct, maintain and use such additional buildings as it may desire to be used exclusively for church purposes, together with off-street parking facilities, upon all or any part of the Church Lots. The Six Lot Owners are defined for purposes of this Agreement as the respective owners of Lot 15 and of Lot 20, in Block 1, and of Lot 7, of Lot 8, of Lot 14 and of Lot 15, in Block 2, GREENWAY FIELDS, a subdivision in Kansas City, Jackson County, Missouri.

6. The Church wishes to develop and construct, as soon as reasonably possible, a 62-space parking facility (hereinafter sometimes called the "Parking Facility") to serve the Church and its congregation on part of the Church Lots, which part is to be known as Lot 1, WRBC (as defined in ¶¶7 and 8 hereinafter).

Declaration of Restrictions as to
Lots 2, 3, 4, 5 and 6, WRBC, a Subdivision
in Kansas City, Jackson County, Missouri

7. The Church has requested each of the Six Lot Owners to release the Restrictions insofar as same require private residence use of Lots 24 through and including 27, Lot 1, certain portions of the rear of what were originally Lots 2, 3, 4, 5 and 6, and the approximately East 25 feet of Lot 23, all in Block 2, GREENWAY FIELDS (hereinbefore and hereinafter sometimes referred to as "Lot 1, WRBC", same being legally described on "EXHIBIT A" attached hereto), and to consent that Lot 1, WRBC, may be used, improved and occupied for the Church Building, for a 62-space, private parking facility (the Parking Facility) for the use of the Church, its members, congregation and invitees (as shown on "EXHIBIT B" attached hereto), and for a future possible extension to the North of the Church Building for a distance of not to exceed fifty (50) feet (as shown on "EXHIBIT B-1" attached hereto). Such release of the Restrictions and consent requested by the Church of each of the Six Lot Owners shall be in the form of the instrument entitled, "Agreement for the Release and Reinstatement of Restrictions, etc.", a copy of which is attached hereto as "EXHIBIT D".

8. The Church represents that the plan for the use of Lot 1, WRBC, is shown on the Development Plan (the "Plan"), a reduced copy of the Plan being attached hereto as EXHIBIT B, and further that the Plan will be implemented by virtue of the replatting of the Church Lots, which shall be known as "WRBC, a Replat of Lots 1 to 6 inclusive, Lots 24 to 27 inclusive, and a part of Lot 23, in Block 2, GREENWAY FIELDS, a subdivision in Kansas City, Jackson County, Missouri". A reduced copy of said proposed Plat of WRBC (the "Plat") is attached hereto as "EXHIBIT C".

9. The Six Lot Owners have executed and recorded their respective Agreements for Release (referred to in ¶7 hereinbefore) on the assurance and understanding that the five (5) replatted Church Lots (i.e., Lots 2, 3, 4, 5 and 6, as replatted in the Plat of WRBC, the Residential Lots) will be restricted by the Church so that said replatted Lots (the Residential Lots) will only be improved, used and occupied for private residence purposes and be subject to the original Restrictions.

10. The Six Lot Owners are desirous of the Church implementing the above actions by the execution and recording of this Declaration of Restrictions.

11. The Church desires to declare that the Residential Lots be subject to the same restrictions as to use and other matters set forth in the Restrictions as originally set out in the Plat of Blocks 1 and 2 of GREENWAY FIELDS.

NOW, THEREFORE, in consideration of the foregoing RECITALS and of the Agreements for the Release being executed and filed for record by the Six Lot Owners, the receipt and sufficiency of which considerations are hereby acknowledged by the Church, the Church (the Owner) does hereby declare that the restrictions and covenants set out in the Restrictions shall apply to the Residential Lots, namely, to Lots 2, 3, 4, 5 and 6, WRBC (a Replat of Lots 2 to 6 inclusive in Block 2, GREENWAY FIELDS), a subdivision in Kansas City, Jackson County, Missouri, so that all of the Residential Lots shall be and the same are hereby restricted as to the improvement, occupancy and use in the manner hereinafter set forth, to wit:

(A) None of the Residential Lots (namely, the replatted Lots 2, 3, 4, 5 and 6, WRBC), shall be used or occupied for other than private residence purposes, and no flat nor apartment house, though intended for residence purposes, may be erected thereon. Each residence erected or maintained thereon shall be designated for occupancy by a single family.

(B) All other restrictions and covenants set forth in the Restrictions are incorporated herein by reference as if set out in full at this point and same are hereby declared to apply to the Residential Lots.

Declaration of Restrictions as to
 Lots 2, 3, 4, 5 and 6, WRBC, a Subdivision
 in Kansas City, Jackson County, Missouri

IN WITNESS WHEREOF, Wornall Road Baptist Church of Kansas City, Missouri, the Owner, has caused this Declaration of Restrictions to be executed and its corporate seal to be hereto affixed by its duly authorized officers, as of the day and year first above written.

AGREEMENT FOR THE RELEASE AND
REINSTATEMENT OF RESTRICTIONS AFFECTING
BLOCKS 1 AND 2, GREENWAY FIELDS,
A SUBDIVISION IN KANSAS CITY, JACKSON COUNTY, MISSOURI

THIS RELEASE and REINSTATEMENT AGREEMENT is made by and between Wornall Road Baptist Church of Kansas City, Missouri, a Missouri pro forma decree corporation (hereinafter referred to as the "Church"), and the respective owners of Lots 15 and 20 in BLOCK 1, and of Lots 7, 8, 14 and 15 in BLOCK 2, in GREENWAY FIELDS, a subdivision of land in Kansas City, Jackson County, Missouri (hereinafter sometimes referred to as the "Six Lot Owners") ;

RECITALS

1. All of Lots 1 through and including 22, Block 1, and all of Lots 1 through and including 27, in Block 2, in GREENWAY FIELDS, a subdivision in Kansas City, Jackson County, Missouri, are subject to certain restrictions as to use and other matters as set forth in the "Plat of GREENWAY FIELDS and restrictions", same being filed for record in the Office of the Recorder of Deeds for Jackson County, Missouri, at Kansas City, on August 17, 1917, as Document No. 1198005, and in Plat Book B19 beginning at Page 34 (hereinafter sometimes referred to as the "Restrictions").

2. The restrictions contained in said Plat provide that none of the lots within said Blocks 1 and 2, GREENWAY FIELDS, shall be improved, used or occupied for other than private residence purposes, except that a church or a church and parsonage may be erected and maintained on Lot 24, in said Block 2.

3. On or about 1929, the Church acquired the ownership of said Lot 24, Block 2, constructed a church building thereon, and has continuously maintained, and now maintains and operates, its church building (sometimes hereinafter referred to as the "Church Building") on said Lot 24 for church purposes, regularly conducting religious services therein for the benefit of its members its congregation and the community.

4. Subsequent to 1929, due to the expanding needs of the Church to better conduct its religious work and to provide its services to the community, the Church acquired ownership of all of Lots 25 through and including 27, all of Lots 1 through and including 6, the approximately West 45 feet of Lot 22, and all of Lot 23, all of said Lots being located in said Block 2 (sometimes hereinafter referred to as the "Church Lots"), it being the desire of the Church, with the appropriate consent of the owners of the Lots in said Blocks 1 and 2, to use the Church Lots for private residences or for church purposes, including particularly for the development of an off-street parking facility to serve the Church and its congregation.

5. The Church represents that thereafter the Church obtained from each of the owners (hereinafter sometimes referred to as the "Lot Owners") of all of the Lots in said Blocks 1 and 2, with the exception of the Six Lot Owners (described hereinbefore), a written document entitled, "Release of Restrictions", each of which documents the Church represents was filed for record in the Office of the Director of Records of Jackson County, Missouri, at Kansas City. The Church further represents that each of such documents provides that the respective owner consents and agrees that the Church may construct, maintain and use such additional buildings as it may desire, to be used exclusively for church purposes, together with off-street parking facilities, upon all or any part of the Church Lots.

6. Each of the Six Lot Owners is now willing to release the Restrictions insofar as same require private residence use of Lots 24 through and including 27, Lot 1, certain portions of the rear of each of what was originally Lots 2, 3, 4, 5 and 6, and the approximately East 25 feet of Lot 23 (hereinafter sometimes referred to as the "Church Lot" or as "Lot 1, WRDC", legally described on "EXHIBIT A" attached hereto) and that Lot 1, WRDC, may be used, improved and occupied for the Church Building, for a 62-space private parking facility (sometimes hereinafter referred to as the "Parking Facility") for the use of the Church, its members, congregation and invitees (as shown on "EXHIBIT B" attached hereto), and for a future possible expansion and extension to the North of the Church Building (now located solely on what was

formerly Lot 24, Block 2) for a distance of not to exceed fifty (50) feet (as shown on "EXHIBIT B-1" attached hereto).

7. The Church represents that the plan for the improvement, use and occupancy of Lot 1, WRBC, is shown on the proposed Development Plan (the "Plan"), a reduced copy of the Plan being attached hereto as EXHIBIT B, and furthermore that the Plan will be implemented by virtue of the replatting of the Church Lots, which shall be known as "WRBC, a Replat of Lots 1 to 6 inclusive, Lots 24 to 27 inclusive, and a part of Lot 23, in Block 2, GREENWAY FIELDS, a subdivision in Kansas City, Jackson County, Missouri". A reduced copy of said proposed Plat of WRBC (the "Plat") is attached hereto as "EXHIBIT C".

AGREEMENTS

NOW, THEREFORE, in consideration of the foregoing RECITALS and of the mutual covenants and agreements hereinafter set forth and as set forth in that certain "Church-Association Agreement", dated July ____, 1989, the terms of which are incorporated herein by reference, and in further consideration of the payment by the Church of One Dollar (\$1.00) to each of the respective Six Lot Owners who have hereinafter executed counterpart copies of this Agreement, the receipt and sufficiency of which considerations are hereby acknowledged by the respective Owners, it is hereby agreed by and between the Church and the respective Six Lot Owners as follows:

B. From and after July 11, 1989, the respective Six Lot Owners, on behalf of themselves and their respective heirs and assigns, hereby consent that the Church may improve, use and occupy said Lot 1, WRBC (the Church Lot), in addition to the use thereof for the existing Church Building, for the development, construction, maintenance and use thereof as a parking facility substantially in accordance with the Plan (EXHIBIT B attached hereto) and for a future expansion and extension of the existing Church Building to the North for a distance of up to 50 feet, as shown on the Plan (EXHIBIT B-1 attached hereto), subject, however to the Church agreeing to reinstate the Restrictions such that—

(1) No portion of said Lot 1, WRBC, shall be used by the Church, its successors or assigns, for other than church purposes;

(2) The Restrictions providing for no improvement, use or occupancy for other than private residence purposes shall be reinstated by the Church on those portions of Lots 2 through 6, inclusive, in Block 2, GREENWAY FIELDS, which remain after the creation of said Lot 1, WRBC; and

(3) The granting of this consent by the Six Lot Owners shall not be construed as a waiver or release by said Owners, or by any of them, of any of the provisions contained in the Restrictions as same pertain to or affect any of the lots in said Blocks 1 and 2, in GREENWAY FIELDS, except said Lot 1, WRBC.
